

IN THE IOWA DISTRICT COURT FOR WOODBURY COUNTY

| | |
|---|--|
| JERRI TINKER, Plaintiff, v. PHILIP J. HAEFS, Defendant. | CASE NO: LACV167801 RESISTANCE TO PLAINTIFF'S MOTION IN LIMINE |
|---|--|

COMES NOW the Defendant Philip J. Haefs and states the following in resistance to Plaintiff's Motion in Limine.

1. Defendant resists Plaintiff's motion to exclude evidence of her mental health conditions. Plaintiff refused to participate in portions of the discovery process prior to trial. Defendant will not know whether evidence of Plaintiff's mental health will be relevant until other evidence is presented at trial. Plaintiff's Motion could also preclude Defendant from testifying about Plaintiff's behavior at the trial of this matter.

WHEREFORE, Defendant Philip J. Haefs requests that the Court overrule Plaintiff's Motion in Limine and wait until there is a factual context presented at trial that would allow the Court to rule on the issue of the contested evidence.
